

**THE MASTERS SCHOOL
DRIVER EDUCATION – FALL 2008**

The school contracts with Eastchester Auto Safety, Incorporated to offer a theoretical and practical course in driver education. Classes are offered on Saturdays and begin on Saturday, September 27, at 8:00 a.m., unless noted, in the Lecture Hall; classes will be held on Saturdays from 8:00-11:00 a.m. for a total of eight weeks. The fee for this course is \$350, and a “Blue Card,” certifying satisfactory completion of this course, will be issued for each student who passes. Driver Education is a (24) twenty-four-classroom course with (6) six hours of in-car training. Because there are only six hours of in-car training, taking this course does not prepare a student for taking and passing his/her road test. Please check with your insurance company to see if they offer a discount for driver education.

Non-residents of New York State: *Please check with your state department of motor vehicles to make sure that a New York State driver education certificate would be accepted.*

- b. Student must have a **passport or her/his original birth certificate** and a **social security number** here at school in order to apply for a NY State driver’s permit.
